

NICHOLAS INTERIORS AND DESIGN SMC LIMITED

Project manager - interior design

Nicholas Interiors and Design SMC Limited is looking for a project manager – interior design to join its Kampala-based team.

Nicholas Interiors and Design SMC Limited is a renowned studio based in the central district of Uganda. Together with our talented professional team of over 50 specialists, we realize exciting projects for premium brands and private clients around East Africa and Africa as a whole. Our mission is to ‘create an environment of love, live with passion, and make our most exciting dreams come true’. Our thriving, inspiring studio space is located in the heart of the creative Kampala district.

If this sounds like the place you want to work? Well read on, because we’re currently looking for a talented project manager – interior design.

As our project manager – interior design you manage the projects through the schematic and design development phases. You are the primary contact for clients, architects and external contractors in order to efficiently and effectively manage the projects to profitable completion. Your proven track record working with external consultants, multiple stakeholders, and construction procedures will help you manage projects and ensure budget targets are being met. Actively managing client’s budgets and schedules and preparing strategic plans for mitigating risks are part of the job. As a project manager – interior design you also give your input regarding staffing needs based on current and projected workload. Your experience managing teams of multidisciplinary designers and your excellent organization skills will help you bring our amazing projects to the next level.

Skills and experience

- Professional degree in architecture BScs/MScs/equivalent, registered in country of education
- Minimum seven years’ experience in an architectural project management position
- Strong experience of managing client and 3rd party relationships whilst safeguarding timelines, milestones, sign off
- Experience of working on international projects in a multidisciplinary team environment
- Managing and liaising with other consultants: Structural, MEP lighting, acoustic etc.
- Ability to identify changes in scope and excellent client & people management skills in order to successfully draft and sell change orders
- Excellent competencies in allocating resources, project planning, setting and reaching deadlines to ensure project profitability
- Fluent in English, verbal and written and other languages Kiswahili, and French are a plus
- Experience in the hospitality/hotel sector is beneficial, but not a requirement
- Living in East Africa or willingness to relocate to Kampala.
- East African working Visa, no need to apply if you don’t have a valid East African Passport.

In addition to the annual salary this role attracts:

- generous clothing allowance
- pension
- flexi-time
- an annual leave entitlement of 28 days, inclusive of holidays increasing by one day per year up to a maximum of 33 days

How to Apply:

Please apply on our portal at www.nicholasinteriorsanddesign.com/careers

On applying please include:

- cover letter
